

Dear Parents & Guardians,

The beginning of December is here! Everyone is working hard at GMS and we are a few short weeks away from a well deserved Winter Break. Students have been actively engaged in their academic programs. Teachers and support staff are doing what they do best at GMS – provide a caring, engaging learning environment for our students to succeed. We were pleased to send home first term formal report cards today. Parents are asked to keep the insert, and sign/return the report card envelope to your child’s advisory teacher.

Please note: parent/teacher conferences will be scheduled for the afternoon of Monday, December 11th for any parents wishing to meet with teachers. Be sure to take some time to celebrate your child’s learning and to set goals in accordance to the formal report card that has come home.

GMS PAC Hosts Annual Pancake Breakfast and Pajama Day

Every year, we are delighted to have the *Central Saanich Lions* visit GMS to prepare a WONDERFUL pancake breakfast. This year, the GMS PAC have invited the Lions to come to our school on **Thursday, December 21st**. Students and staff are encouraged to wear their pajamas to school that day. Students and staff are asked to bring their own plate and cutlery for the pancake breakfast, as we are trying to eliminate any unnecessary garbage. Be well planned, and have your plate and cutlery ready in advance! Plastic or non-breakable camping plates are best for this! Everyone is also encouraged to bring a non-perishable food item to our **annual pancake breakfast and pajama day**. These food donations will be donated to a wonderful local charity, *The St. Vincent de Paul Society*.

Citizenship at GMS

The rate of change in our world with respect to technology is extraordinary. At GMS, we have continued to see an increase in the ownership of personal cell phones and hand held electronic devices. We continue to educate and set high expectations with our students with respect to ***citizenship in general***, as well as ***digital citizenship***. With the privilege of having a cell phone or hand held device, we have the responsibility to using these devices appropriately. Students at GMS may have cell phones with them in our school and we have clear expectations for their use. Hand held devices can be used in class under the direction of a teacher or educational assistant. We are delighted to be using an iPad cart in our school, which is allowing for creativity and showing our learning in different ways, as well as sets of chrome books. Certainly, the future will likely see more examples of technology in and out of our classrooms at GMS. We respectfully ask that parents ***not*** text or call their child during instructional time, as we have directed students to keep their phones off during teaching time. Thank you for your support.

GMS Website

If you have not already done so, please visit our school's amazing website, which you can easily locate by going to: <https://glanford.sd61.bc.ca/> Parents and students can find the following on the school web page:

- Information about the staff
- The three teams at GMS: The Hippy Hooplas, The Geckos, and the Rockin' Rookies
- Teacher web pages showing homework as well as pertinent information to each class
- A calendar for the year and upcoming events
- Resources for parents and students
- GMS PAC and GMPA information
- Student photos and videos that capture the numerous events that occur at GMS

Thank you GMS PAC and GMS Staff!

The reality of running a busy middle school has set in here at GMS. The school is buzzing with activity – academic, athletic, and social! The young adolescent learner is an interesting one – there is never a dull moment! At any time at GMS, you can feel the energy and see the activity in the building. Academics are a priority for our students, as are a variety of learning opportunities. Through student leadership activities – including Studio 85 and assemblies, athletics, the computer lab and library, band, strings, as well as other fascinating activities and clubs, student opportunities to explore new, exciting things are definitely here! Being well organized at home with established homework routines and good communication with parents helps our students enjoy an enriching middle school experience while being the best they can be academically. A big THANK YOU goes out to our GMS PAC for their generous financial support shown to support our school programs. Thanks also to all of our parents for continuing to support the work we do at GMS.

The Music Program and Athletics @ GMS

Everyone is invited to this year's winter **music concert**. The concert will be performed on Tuesday, December 5th at 9 AM and again at 7 PM in our gym. Families are encouraged to come out to listen to the beautiful music of our young students! Thank you **Mr. Lienard** and **Ms. Rebstock** - our music leaders!

Additionally, at the evening music concert, our Woodshop Teacher Mr. Pite, along with the students from Ms. Pytela's class, will be selling handcrafted bookmarks for \$5 each, with all proceeds going to *The St. Vincent de Paul Society*.

With **athletics**, we have had many, many students participating in recreational as well as competitive **basketball** this year – playing, and score / time keeping! The kids are having lots of fun and learning so much about the game of basketball! Great job, Mavericks!!

Head Lice Check

For many schools, head lice are a reality, and we are receiving reports of head lice at GMS. We thought it would be helpful to send you recently revised Head Lice Management Guidelines from our Public Health Unit. Please find the attached information with this newsletter email.

On behalf of the GMS staff, we wish all GMS families a very Merry Christmas, Happy Hanukah, Happy New Year, and wonderful winter break.

See you in and around GMS!
