### Regarding Transfers and Programs of Choice

Students who applied for Programs of Choice should be informed this week if they have been accepted.

Also, we want families to understand that if you are applying for a transfer it does not mean you will be automatically accepted. Acceptance is based on space and we know that secondary schools are at or near capacity with catchment students. Students are often placed on waitlists when applying for transfer. We also know that each of our secondary schools offer engaging and diverse programs and students thrive when they participate, attend and connect.

### Recess Snacks

We will be building out our food program to include recess snacks out of the performing arts studio. If you know that your child will benefit please remind them to come by and grab a healthy snack!

# GMS PAC BOTTLE DRIVE

## NEW DATE!!
