### Acts of Kindness Calendar

For the next 3 weeks we will be focusing on small acts, big impacts through acts of kindness. Here are ways that you can support at home:

- discuss the act daily
- encourage students to be aware of the impact of their kindness
- use the ideas, facts and information in the Science of [Kindness snap shot](#)
- take part in the acts too! share your acts and impacts with your family

[Here is an article](#) for all to read. It looks at the difference between bullying and conflict in middle school and how we help students build understanding. While some ideas are in-school specific, the messages are important for all to consider and help us navigate conversations and offer strategies to students.

### Recess Snacks

We have extended our food program to include recess snacks out of the performing arts studio. If your child will benefit please remind them to come by. We have protein, fruits, veggies & yogurt.
