Please remember that student learning updates (report cards) are now accessed through the Parent Portal. We will send a separate email to families with instructions for accessing.

Students can also see their learning updates through the student portal.

We ask that all families read and discuss their child’s learning updates with them. This home-school connection fosters success.

We have extended our food program to include recess snacks out of the performing arts studio. If your child will benefit please remind them to come by. We have protein, fruits, veggies & yogurt.
