### Homestay Opportunities

It's that time of year! The Greater Victoria School District's International Student Program is looking for new families interested in joining the vibrant hosting community. With students arriving to attend short term programs in the summer (2-6 week stays) and longer-term programs in the Fall, there are many opportunities to begin hosting.

Host Families provide 3 meals a day along with healthy snacks and a welcoming environment. \$1260 per month is provided as reimbursement for student support (pro-rated for shorter stays.) Orientation and 24/7 support is available from the homestay office.
