Drop Off and Pick Up Safety
Please use the pull though at the front of the school or pull up on the side of the road on Judah St. Please do not pull into the parking lots and keep the Bus Zone clear. This helps to keep the students safe as they arrive and depart. Note – all students must walk their bikes & scooters on school grounds.

School Food Programs
We have a number of food programs available for students. Each day we have toast with jam available for students in the morning in the Performing Arts studio before school. At recess students can grab a light snack (fruit and protein option) and weekly Hot Lunch (Subway Wednesday and Pizza Friday) will be available for purchase. Families who would benefit from daily bagged lunch program can reach out to Ms. Scott – jescott@sd61.bc.ca to sign up. NOTE – students on the lunch program will get Subway & Pizza weekly.

Reporting Student Absences & Early Pick Up & Closed Campus

If your child will be late or absent please call 250-479-5032. We know that some families like to email teachers with absence information. This is helpful! Please also include the office in the email so that we can record this information in our system. Email glanford@sd61.bc.ca

If you will be picking up your child early please make sure to call or email the office. We will not let students sign out without communication from families.

A reminder that we are a closed campus. This means that students are not allowed to leave at breaks or during the day (unless they have an appointment etc). We can always help with forgotten food, homework extensions or extra clothes.
