## ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses **2** days a month..

They will miss **20 DAYS** a year.

They will miss **30 HOURS** of math over the school year.

They will miss **60 HOURS** of reading & writing over the school year.

They will miss over **1 YEAR** of school by graduation.

When a student misses **4** days a month..

They will miss **40 DAYS** a year.

They will miss **60 HOURS** of math over the school year.

They will miss **120 HOURS** of reading & writing over the school year.

They will miss over **2 YEARS** of school by graduation.

Please remember – Regular attendance & arriving on time matters! Each day we begin with Studio which helps students stay organized & connected. Classes then begin academic blocks which support learning, skill development & includes important instruction. Thank you for letting us know when your child will be away or late.
