School Food Programs

We have a number of food programs available for students. Each day we have toast with jam available for students in the morning in the Performing Arts studio before school. At recess students can grab a light snack (fruit and protein option) and weekly Hot Lunch (Subway Wednesday and Pizza Friday) will be available for purchase. Families who would benefit from daily bagged lunch program can reach out to Ms. Scott – jescott@sd61.bc.ca

Community Coaches Needed!

We have a large athletics program at GMS. It runs with the help of staff and outside coaches. We are looking for coaches with some experience. Is that you, or someone you know? We currently need coaches for basketball. If you are interested in coaching please contact Bryden Gage – bgage@sd61.bc.ca
If there is another sport you would like to coach later in the year, please let us know for our planning.

Bikes and Scooters

It is great to see so many students riding to school. Thanks to our PAC and hot lunch sales we have wonderful new bike racks at the front of the school. All students are responsible for locking their bikes. We cannot be responsible for unlocked bikes or scooters. We have noticed an increase in electric scooters and would like to remind families that there are regulations around ages and use. Please see [this link](#) and [this link](#) for more information. If you still choose for your child to ride an electric scooter, know that it must be locked up outside. We will not be storing them inside.

Finally, for safety, all students are to get off their bike or scooter on school property when arriving or leaving. Thank you for your help reviewing this with your child.

School Fees

To align with SD61 Middle Schools we will have 2 school fees this year. Please see note in forms that went home. Fees can be paid online at School Cash online.

Locker deposit - \$10

Book and Tech deposit - \$25

No student will be denied access to learning.
