RE: Glanford Child Care

Dear Glanford Middle School Community,

The Greater Victoria School District is committed to expanding quality child care in our community. As part of this initiative, we are developing 44 new child care spaces on the grounds of Glanford Middle School. Construction is underway and is moving into the 'finishing' phase. We will continue to provide updates as the project advances.

Details on the care provider, programming, and registration will be shared as the project nears completion.

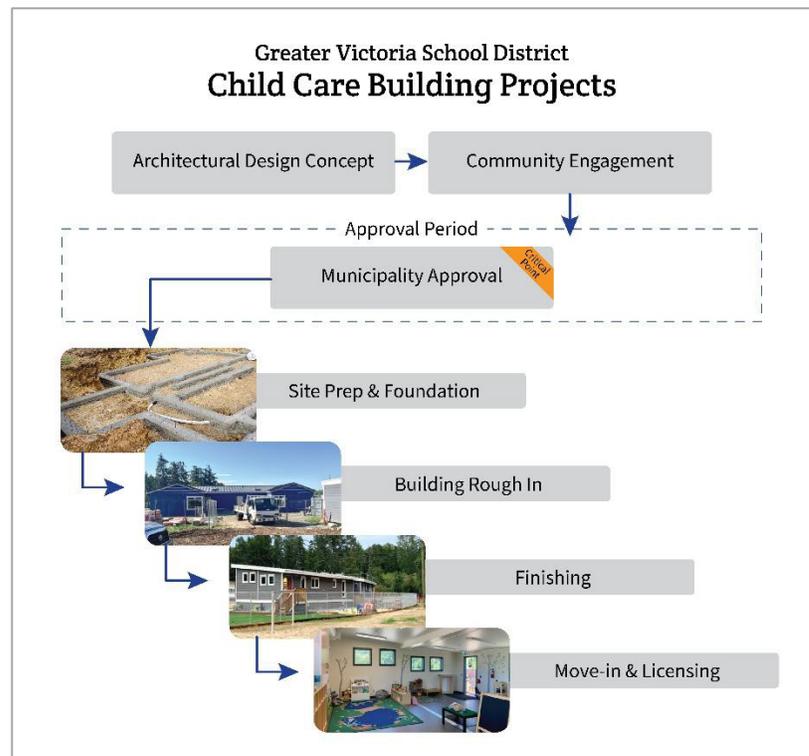

If you have any questions, please feel welcome to connect.

Warm regards,

Charmaine Shortt
