School-Wide Literacy Goal

To foster a school-wide culture of reading where all students see themselves as readers, experience the joy of reading, and develop the comprehension skills needed to engage meaningfully with a variety of texts.

We will be working together as a staff to highlight, embed and lead literacy teaching & student success. Our success also includes the GMS parent community. We will be sharing information, stats and resources with families over the year.

OCTOBER 22nd – Sign Up ASAP!
